A collection of images by Peter Lau www.accessiblenatureuk.com

Peter is an avid wildlife photographer, accessibility campaigner and naturalist-using the images he captures to escape the confines and issues of him being a full-time wheelchair dependent person. For Peter, being paralysed at chest level offers many challenges, for getting near to, and reaching the wonderful wildlife of the UK, but with persistence and a "don't give in" attitude Peter proves it can be achievable.
